

KEY VAULTS

Designed to meet the requirements of insurance companies in the control, tracking and security of keys associated with risk to valuables or property, our range of **Key Vaults** offer twice as much security and strength provided by standard key cabinets.

KEY VAULT 200

- Heavy duty key cabinet designed to meet the growing need for added security
- 2.5mm fabricated steel cabinet with flush closing door to resist forced entry
- Locking by security deadlock with 5-pin Euro profile cylinder & 2 keys
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Includes 7 security seals and loops to secure keys that require clear evidence of tampering or removal
- Key locations can be recorded on the control index which is removable for added security
- Use your own cylinder to incorporate the cabinet into an existing suited system
- Cylinder can be easily changed in seconds to ensure total security
- Durable Light Grey paint finish will suit most environments
